## The Gentle Beam

April Topic:

# UNITY =

**1** Behold, how good and how pleasant, it is for brethren to dwell together in unity! Ps 133:1

**1** I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called, **2** With all lowliness and meekness, with longsuffering, for bearing one another in love: **3** Endeavouring to keep the unity of the Spirit in the bond of peace. Eph 4: 1-3

The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universally done. S&H 202:3

There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God. S&H 502: 29-5

With one Father, even God, the whole family of man would be brethren; and with one Mind and that God, or good, the brotherhood of man would consist of Love and Truth, and have unity of Principle and spiritual power which constitute divine Science. S&H 469: 30-5
