Sunday School Spotlight

Evangeline Wysong

Angel has been homeschooled for the past 10 years. She will be in 10th grade next school year. She loved to write children's stories and poetry when she was younger, and she wrote the poem "Where is God?"

which was published in the Christian Science Sentinel (June 9, 2014). She took piano lessons for five years, and she joined the Bastrop Select Children's Choir for two seasons and The Jubilate Girls Choir. She took acting classes for a year and participated in the musicals, *Oz!* and *The Elves and the Shoemaker*. Angel loves to dance. She has been taking ballet classes for five years, and last year she got her first pair of pointe shoes. On May 20th was her dance recital, "Shine". She danced in two pieces: "Autumn Gold" (on pointe!) and "Waltz of the Hours". For the past five years she has also participated in the "Nutcracker Ballet". This summer, she is looking forward to attending Cedars Camps for her second time and having fun in the Aerial Arts program.
